

At a Glance

Volunteers play a crucial role in supporting communities and non-profit organizations by contributing their time, skills, and energy. Despite the critical need for volunteer contributions, many organizations lack the capacity or infrastructure to provide comprehensive training and support. Our Volunteer Training & Support Solution is designed to address these challenges by offering a structured and accessible framework that empowers volunteers and enhances their impact.

ADD-ON FOR
Event
CLIENTS

Key Objectives

- Tools for training volunteers.
- Support crafting volunteer communications.
- On-site guidance for volunteers.

What's Included

- ✓ Coordinate with the organization's volunteer lead & act as main point of contact for volunteers after recruitment has been completed.
